

COCHIN NANO – 2026

PRE-CONFERENCE WORKSHOP SCHEDULE

Fifth International Conference on Frontiers in Nanoscience and Technology

September 25, 2026

Venue: Department of Physics, Cochin University of Science and Technology, Cochin

Time (IST)	25 th September, 2026
9:45 – 10:15	Inauguration
10:30 – 11:15	L1: Prof. Vijayamohanan K Pillai <i>Indian Institute of Science Education and Research (IISER) Thiruvananthapuram, India</i> ‘Applications of Two Dimensional (2D) Materials as Quantum Dots for Energy Storage’
11:15 – 11:45	Tea Break
11:45 – 12:30	L2: Dr. Saravanan Somasundaram, <i>EMMVEE, Bangalore, India</i> ‘Silicon Solar Cells: Advanced Manufacturing Technologies, Process Innovations and Industrial Perspectives’
12:30 – 13:30	Lunch Break
13:30 – 14:15	L3: Dr. A. Aashish <i>Application Scientist, BioLogic</i> ‘Beyond the Curve: Decoding Electrochemical Fingerprints’
14:15 – 15:00	L4: Dr. Harish N S Krishnamoorthy, <i>Tata Institute of Fundamental Research, Hyderabad, India</i> ‘Metaphotonics: Why and What?’
